Mass Appeal Collection

Mass Appeal's luxury vinyl tile, 18"x36" plank format creates bold installations with innovative modern textures. Drawing inspiration from oxidized metal and natural linen textures, Metal and Matter are beautiful, versatile and eclectic. With pops of sheen, this flooring solution appears multi-dimensional and coordinates beautifully with the Iconic Earth collection, for textual layering and a total flooring solution that transitions seamlessly from space to space.

Metal

The natural oxidation of metal when exposed to the elements inspires this pattern, which is available in 12 colors.

Matter

The subtle striations of natural linen have evolved into this unique pattern, available in six rich neutral colors.

The Mass Appeal Collection contains a minimum of 8% bio-based renewable resource content by total product weight. It avoids harmful phthalates by substituting a new bio-based, rapidly renewable plasticizer without sacrificing performance, quality and maintenance.

Installation Instructions:

Mohawk Group

Mohawk Industries, Inc. warrants its adhesives for the life of the original installation only when a Mohawk Industries style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Industries adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.

Mohawk is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk.
